Agenda

2020-2021 Budget Preparation

Brian Verdun, City Engineer and Chris Brock, Street superintendent presented to Committee the Road Work Recommendations for 2020. There are (2) streets and (2) alleys that need rebuilds, (8) areas needing consideration for overlay work, continue with 2019 projects and treat Pontiac Rd with the GSB 88 material. MFT funds will be slightly higher this year and if the sales tax referendum passes, money from that can be used to tackle more street repair.

Discussion on the need to get out to the city residents and explain the proposed sales tax increase referendum, which will be voted on March 17, 2020. Marketing statements will be put in the sewer bills, on the Pontiac Newsletter, and radio station. Also Acting Mayor Alvey would like Council to each contact (10) residents and explain the need and hopefully those (10) will contact (10) more and on down the line. He would like feedback at the next Committee of the Whole meeting.

Adjournment

On motion duly made and seconded, the regular meeting of the City Council was adjourned.
