

Pontiac Golf Course is Now Open for the 2021 Season!

As of April 1st 2021, the former Pontiac Elks Lodge & Golf Course is now under the ownership of the City of Pontiac! As proud new owners of the golf course, we at the City of Pontiac want to assure all golfers and visitors will experience the same level of professionalism and quality of service they have come to expect over the years. This 18-hole facility is open to the public, which includes access to the golf course, grass driving range, practice greens, pro-shop, golf simulator, and more!

As we are entering the 2021 golf season, we have received many questions regarding the transition of ownership. Below are two of the most frequently asked:

Will we be renaming the golf course? Yes! We have plans to rename the course in 2022. Renaming the course is an important decision that we do not take lightly, thus we will be taking the time to create an image that honors the past and looks forward to the future. We welcome public input during this process.

What will our membership rates be this year? All rates (yearly and daily) can be found on our website, www.pontiac.org/golf. You may purchase a golf membership by contacting either of the following facilities:

Community Recreation Center: 900 N. Elm Street // 815-844-6818

Pontiac Golf Course: 459 Elks Club Road // 815-842-1249

The City of Pontiac is working hard to ensure this transition benefits the community in as many ways as possible. This includes providing affordable programming, creating a family-friendly atmosphere, hosting many outings and events, all while striving to preserve the tradition of being one of Central Illinois' best golf courses. Stay in-the-know by liking us on Facebook @PontiacGolfCourse or by checking our website www.pontiac.org/golf.
